Vilnius University

***Research Professional training – end-users (standard-level subscription)**

Date & Time: May 20th 2021 – 10:00 (Vilnius Time)

Platform: MS Teams

Duration: Approx. 1 hour – session will also be recorded.

Vilnius University subscribes to ***Research Professional**, an online database of research funding opportunities. This subscription enables you to search for available content and set up email alerts to stay informed of new funding opportunities.

The university, in partnership with ***Research Professional**, has arranged a training session in order to provide a comprehensive overview of the features available to you as end-users, with a specific focus on navigating the funding database and finding opportunities relevant to your profile and areas of interest.

The topics covered will include:

1. What is *RP and how do we access it?

- Account access
- Institutional authentication (single sign-on)

2. Funding opportunities database

- Navigate insider expertise and guidance for the funding landscape with **Funding Insight**
- Navigating database using simple and advanced searches
- Interacting with searches – **Save** or **Save & Alert**
- Interacting with content – **Bookmark, Email, or Download**

3. Miscellaneous functionalities – News and Conferences (*time-dependent*)

- Browse news content along geographical and topical lines
- Find conferences and similar events organised by topic

4. Our Institution

- Start Page – institutional homepage and helpful resources
- Viewing shared funding content

5. Help Section and Q&A

- Client Knowledge Centre resources
- Support Portal and Live Chat

By the end of this session, you will be able to:

- Conduct both quick and refined searches for funding opportunities that are relevant to your area of research;
- Save search criteria and set up automated funding alerts for new opportunities that meet your interests or needs;
- Share funding opportunities within the platform and externally, using the Share and Download features;
- View public funding resources curated by your subscription administrators and/or faculty coordinators.
